Press Release

Vuzix to Present at Sidoti Micro Cap Conference

June 23, 2010

Rochester, NY – Vuzix Corporation (TSX-V: VZX) a leader in the design and manufacture of Video Eyewear products that provide users with portable high quality viewing experiences, today announced that the Company is scheduled to present at the Sidoti Micro Cap Conference on June 25th in New York City. Paul Travers, CEO of Vuzix, will present on behalf of the Company at 8:40 AM.

About Vuzix Corporation

Vuzix is a leading manufacturer of Video Eyewear; personal display devices that provide users with portable high quality viewing experiences. Vuzix started in the defense sector with a focus on R&D of next generation display solutions for the US DoD and the Special Operations community, and today is a leading supplier of display products for digital night vision systems, tactical wearable displays, consumer products. Vuzix has 51 patents in the Video Eyewear field and provides solutions for mobile computing, tactical information display, video, virtual and augmented reality, and 3D entertainment. The Company addresses the defense, industrial, consumer and medical markets and has shipped well over 200,000 display solutions since its inception. Vuzix has won multiple CES Innovations Awards, the RetailVision Best New Product award, several wireless technology innovation awards, among others. Founded in 1997, Vuzix recently became a public company listed on the TSX Venture Exchange (TSX-V:[VZX](#) - [News](#)) with offices in Rochester, NY, London, UK and Tokyo, Japan.

Forward-Looking Statements Disclaimer

Certain statements contained in this release are "forward looking statements" within the meaning of the Securities Litigation Reform Act of 1995 and applicable Canadian securities laws. Forward looking statements contained in this release may relate to, among other things, future products, product features and applications. They are generally identified by words such as "plans," "seeks," "believes," "may," "expects," "anticipates," "should" and similar expressions. Readers should not place undue reliance on such forward-looking statements, which are based upon the Company's beliefs and assumptions as of the date of this release. The Company's actual results could differ materially from those projected in the Company's forward-looking statements due to, among other things, our ability to raise necessary capital; government regulation of our technologies; our ability to enforce our intellectual property rights and protect our proprietary technologies; the timing of new product launches; delays in product development; and dependence on third parties for certain key components. These risk factors and others are described in the Company's reports filed with the United States Securities and Exchange Commission and applicable Canadian securities regulators. Subsequent events and developments may cause these forward-looking statements to change. The Company specifically disclaims any obligation or intention to update or revise these forward-looking statements as a result of changed events or circumstances that occur after the date of this release, except as required by applicable law.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
